

APMP NCA Graduate Pathway Program

CULTIVATING THE NEXT GENERATION OF PROPOSAL PROFESSIONAL

Through our partnerships with local universities, we offer college students and graduates a clear pathway into the Association of Proposal Management Professionals and a solid foundation to begin a career in various aspects of proposal management, proposal writing, and business development within federal, state, and local government, and commercial businesses.

**Visit www.apmpnca.org/GPP for more information.
For inquiries into the program and to set up an
orientation, email
